2 November 2017

Dear Parents,

Co-Curricular Activities (CCA) Programme for Primary 3 (2018)

1. As part of our school's efforts to develop our students holistically, our CCA Programme aims to develop in our students, qualities such as confidence, perseverance and resilience, as they pick up new skills through active participation in sports, the performing arts, clubs or a uniformed group.
2. Primary 3 to 5 students are strongly encouraged to participate in two modular¹ CCAs (one per semester) or one non-modular² CCA (one throughout the year). Primary 6 students will participate only in Semester 1.
3. There will be a CCA Showcase on 9 November, where students will showcase what they have learnt during the CCA sessions this year. The current Primary 2 students will get to visit the booths to find out more about the various CCAs, and following that, they will register online at <https://www.mconline.sg> via their *MCOonline* account. **Registration starts on 9 November (5 p.m.) and closes on 13 November (5 p.m.) and it is on a first-come-first-serve basis.** A step-by-step guide and information on the various CCAs will be available on the school website from 3 November.
4. Updates in the CCA Programme
 - 4.1 Dance: To provide opportunities for dance exploration to more students who are interested and passionate about dance, Dance will be conducted as a modular CCA from 2018 onwards. As such there will be no audition for and registration will be done online, on a first-come-first-serve basis.
 - 4.2 Swimming: Swimming will be removed from the CCA Programme as all Primary 3 students will be required to attend the SwimSafer Programme as part of PE Programme (during PE lessons) from 2018 onwards. Details will be given in a separate letter at the beginning of 2018.
5. You may contact me via email at rozana_kamsari@moe.edu.sg for clarification.

Thank you.

Yours sincerely,

Mdm Rozana Kamsari
